

BROWN COUNTY EDUCATIONAL SERVICE CENTER PRE-KINDERGARTEN PROGRAM

Now Accepting Enrollment Applications
For the 2008-09 School Year

Student Eligibility:

The pre-kindergarten program serves children ages 3-5. Typically developing children must be three years of age by August 1st of the year of enrollment, and they must be completely toilet trained. This means that children are able to function independently in the restroom. A child who wears pull-ups is not considered to be toilet trained.

Site Location & Attendance Schedule:

The pre-kindergarten program for the Georgetown Exempted Village School District is located in the elementary school at 935 Mt. Orab Pike in Georgetown. A 130 half day attendance schedule is established with students attending 4 days/week (Mon.-Thurs.) either from 8:00-11:00 a.m. or 12:00-3:00 p.m. Students will be grouped according to age and special needs.

Program Description:

Involvement in the pre-kindergarten program provides enriching experiences to enhance each child's creative, language, social, emotional, physical, and cognitive development. Teachers use a thematic approach to introduce students to the pre-kindergarten early learning content standards for language arts, math, social studies, and science as adopted by the Ohio Department of Education. Classroom activities are planned so that children can work independently, in small groups, and in large groups. Parents are welcome to volunteer in the classroom or to help with special projects.
